On September 13, 2022, Greenview Investment Pte. Ltd., Enterprise Holding Pte. Ltd., GIC (Ventures) Pte. Ltd., GIC Special Investments Pte. Ltd., and GIC Pte. Ltd. ("Petitioner") submitted an application for the acquisition of control of Fortitude Life Insurance & Annuity Company and Fortitude U.S. Reinsurance Company ("Insurer") to the Arizona Department of Insurance and Financial Institutions (the "Department") for approval of Petitioner as the controlling person of the Insurer pursuant to the provisions of Arizona Revised Statutes (A.R.S.) §§20-481 through 20-481.32 and Arizona Administrative Code (A.A.C.) R20-6-1402.

Based upon reliable evidence provided to the Director of Insurance and Financial Institutions ("Director") by the Assistant Director of the Financial Affairs Division of the Department, the Director finds as follows:

FINDINGS OF FACT

1. The Insurer is a domestic insurer as referred to in A.R.S. §20-481.

1 2. The Petitioner filed a statement as referred to in A.R.S. §§20-481.02 and 20-
2 481.03, in the form required by A.A.C. R20-6-1402.

3 3. The Insurer and its security holders waived the ten (10) day advance filing notice
4 to be given as required by A.R.S. §20-481.07(D).

5 4. No evidence has been produced that would indicate or form the basis for a
6 finding that the Petitioner's acquisition of control of the Insurer:

7 a. Is contrary to law;

8 b. Is inequitable to the shareholders of any domestic insurer involved;

9 c. Would substantially reduce the security of and service to be rendered to the
10 policyholders of the domestic insurer in this State or elsewhere;

11 d. After the change of control, the domestic insurer would not be able to satisfy the
12 requirements for the reissuance of a Certificate of Authority to write the line or lines of
13 insurance for which it is presently licensed;

14 e. Would have the effect of substantially lessening competition in insurance in this
15 state, or tend to create a monopoly;

16 f. Might jeopardize the financial stability of the Insurer or prejudice the interest of its
17 policyholders, based upon the financial condition of any acquiring party;

18 g. Is unfair and unreasonable to policyholders of the Insurer and is not in the public
19 interest, based upon the plans or proposals that the acquiring party has to liquidate the insurer,
20 sell its assets or consolidate or merge it with any person, or to make any other material change
21 in its business or corporate structure or management;

1 h. Would not be in the public interest of policyholders of the Insurer and of the
2 public to permit the merger or other acquisition of control based upon the competence,
3 experience and integrity of those persons who would control the operation of the Insurer; or

4 i. Would likely be hazardous or prejudicial to the insurance-buying public.

5 5. The Petitioner's officers and directors made representations material to the
6 issuance of the Order in this matter that none of its officers or directors have been charged
7 with or convicted of a felony or misdemeanor other than minor traffic violations.

8 6. The Petitioner filed the following to comply with A.R.S. §§20-481.03(A)(14) and
9 20-481.03(A)(15):

10 a. An agreement that the Petitioner will file with the Director the annual enterprise
11 risk report pursuant to A.R.S. §20-481.10(D) while in control of the insurer; and

12 b. An acknowledgement that the Petitioner and all subsidiaries in its control in the
13 insurance holding company system will provide all information requested by the Director for the
14 Director to evaluate enterprise risk to the insurer.

15 **CONCLUSIONS OF LAW**

16 1. The application established that none of the enumerated grounds set forth in
17 A.R.S. §20-481.07(A) exist so as to provide a basis for disapproval or rejection of Petitioner's
18 acquisition of control of the Insurer.

19 2. Petitioner presented credible evidence for approval of its acquisition of control of
20 the Insurer and the Petitioner to be a controlling person pursuant to the provisions of A.R.S.
21 §§20-481 through 20-481.32 and A.A.C. R20-6-1402.

11 3. The Petitioner shall advise the Director in writing of the effective date of the
12 change of control.

14 statement in the form required by A.A.C. R20-6-1403(B) and within the time period prescribed
15 by A.R.S. §20-481.13. If the registration statement would duplicate the information previously
16 submitted by the Petitioner in the statement filed with the Department pursuant to A.R.S. §20-
17 481.03 and there have been no material changes since the filing of that statement, then the
18 Insurer shall submit a statement to that effect incorporating by reference the statement
19 previously filed with the Department in lieu of the registration statement;

1 5. The failure to adhere to one or more of the above terms and conditions shall
